

Note: The ODIN seat offering below is based on documentation supplied by the ODIN Contractor during the proposal process early in 2000. The seats to be provided at Ames beginning in December 2000 will likely be more powerful and have more capacity, since the ODIN contract provides a firm mechanism for ensuring that seat configurations delivered have performance and capacity ratings that are consistent with current manufacturer offerings.

AMES Research Center Solution – Code R

Offeror Name: Intellisource

Platform : PC Laptop, Mid-Level GP 3

System Configuration

Item	Manufacturer	Model #	Revision or Date	Size & Speed
System Unit	Compaq	Armada 1750 Notebook 316590-002
